

CONSTRUCTION WILL START ON NEW DORMITORY

Free Fuel on 103,671 Acres of County

FARMERS GET \$10,367 FOR EROSION JOB

Benefits of Listing Said To Be Showing Here

PERMANENT PLAN

Work Starts Soon Under The Department of Agriculture

Randall county will have 103,671 acres of listed ground this week as a result of the free fuel and feed allotment made last week by the government in the emergency fight against dust and soil erosion.

The farmers received from the government \$10,367.10 in an absolute gift for this first step in the erosion fight. 10 cents per acre was allowed for fuel and feed, a large majority of the money going for tractor fuel.

The campaign has not extended far enough in the drought territory to have any great general effect since Tuesday was one of the worst days this section has seen. Yet farmers who were in town yesterday state that in those sections where the listings had been completed the soil suffered far less from erosion than at any time in the past. With a few more days of listing in the Panhandle, it is expected that a great change may be seen in the entire section.

No definite announcement has been made as to the erosion program. The bill as passed by congress (Continued on last page)

William Robinson Funeral Will Be Held 3:00 Today

William Robinson, 68, died yesterday morning at the family home after an illness of several weeks. Mr. Robinson was a contractor and had lived here nine years.

The funeral services will be held at the Presbyterian Church at 3:00 o'clock this afternoon, conducted by Rev. Chas. L. Dickey. The deceased was a member of the Presbyterian church.

Surviving is the wife and seven children: William Robinson, Jr., of Pritch; Arthur, Nelson, and Samuel Robinson of Canyon; Miss Theresa Robinson of Pyote; Kathryn and Dolly Robinson of Canyon; one brother, David Tomlin of Mississippi; three sisters, Mrs. Georgia Taylor of Sweetwater; Mrs. Josephine Fuqua of Paris; Mrs. Mary Alexander of Paris.

Mr. and Mrs. H. F. Pearson of Lorenzo were here over Sunday visiting at the home of their son, W. L. Pearson.

10,000 Visitors At Palo Duro Since Jan.

Thirty States Outside of Texas Registered at Park

10,000 people have visited the Palo Duro State Park since the actual count has been started on January 14th, states J. B. Elliston who is in charge of the gate.

This number represents visitors from 30 states outside of Texas.

People from 130 towns in these 30 states have registered at the Park.

From Texas, visitors have registered from 111 towns.

Three foreign countries were represented in the group, Germany, Australia and China.

A total of 1726 cars were ad-

Park Official In Visit to Palo Duro

Election on Wheat Allotment Will Be Held This Month

Farmers of the wheat belt will be called upon to vote on the continuation of the wheat allotment program before the end of May. The date for Randall County's election will probably be determined today.

George E. Farrell of Washington will meet County Agents in Amarillo today to discuss the problems of wheat allotment, and to plan for the future.

There is little question about the continuation of the wheat program if farmers will take the time to vote on the proposition in the Panhandle.

The wheat program has proven to be a most effective drought insurance for the farmers of this section, and to discontinue it at this time would be very disastrous to the drought section.

When the time for the election is set, a campaign will be waged in the Panhandle to get every farmer to the polls in order to insure the continuation of the program.

Le Mirage and Prairie Won In TIPA Contests

Le Mirage was judged the best college annual in Texas among the members of TIPA at the annual convention held at Huntsville last week end.

The Prairie was judged the second best college newspaper in the association. The Prairie won first place last year in the contest.

The invitation of Canyon and W. T. for the 1936 meeting was withdrawn by the representatives of the college in favor of Sul Ross, which was chosen as the meeting place for next year.

Summer Irrigation Rates Will Apply on All Water Bills

Summer irrigation rates have been made effective by the city to apply on customers' bills at the rates given last summer. Water customers will not have to go to the trouble of signing up for irrigation rates this year since the rate will apply to all who use water in a sufficient amount to be entitled to the irrigation discount.

Harvey Cash states that the city commission made this change in order to accommodate the patrons in securing the irrigation rates.

Mr. and Mrs. E. P. Stock have moved to Borger to make their future home.

District Supervisor Is Pleased With Work Here

CHIEF IS COMING

Additional Men Are Expected At The Park

Herbert Maier, southwestern chief of the National Park Service, was here Sunday from his office at Oklahoma City making an inspection of the Palo Duro State Park. He expressed himself as highly pleased with progress being made at the Park. George Nason of Austin, inspector for Texas parks, accompanied Mr. Maier here.

H. L. Evison, assistant park director, from Washington will make an official visit here on May 16th and Mr. Maier will return with him for another inspection.

The two companies at the Park are still about 50 men short of the total of 480 which was announced by the army as being the maximum for CCC camps. It has been promised that both companies will be recruited to full strength, but nothing definite has been heard as to the time the additional men will arrive.

Materials are being requisitioned by Major E. A. Kingsley, superintendent, in order that all phases of construction be pushed during this period. On account of the lack of materials, road work is the chief thing to be undertaken at the Park this month.

JUDGE HUMPHREYS HERE

Judge Hugh S. Humphreys of Washington was here Monday conferring with County Agent W. H. Upchurch. Judge Humphreys, former district judge of the 4th judicial district, is now attorney for the AAA. He is working on various phases of the AAA in this section.

Help Keep Canyon Clean!

16,743 Visitors at Museum Bldg.

Relief Director Charged Driving While Intoxicated

J. B. Scott of Amarillo, a district relief director, was arrested on the highway Friday night, charged with driving while intoxicated. His mad drive through the county and city of Canyon ended in a collision with Finis Brazil south of Canyon, wrecking both cars and injuring three persons.

W. L. Lyons, deputy sheriff, called Frank Hicks that a car had left Amarillo driving at a terrific speed. The car did not slow down in passing through Canyon, Hicks clocking the speeding machine at 73 miles per hour. The smash up occurred 4 1/2 miles south of Canyon.

Scott was badly cut and bruised in the wreck. His 12 year old son suffered a broken arm and bad cuts.

Mr. Brazil was badly cut about the face.

The charge was filed against Scott in Justice B. F. Machen's court Saturday, and he was released on \$1500 bond to await the action of the grand jury.

Dust Rules Panhandle During the Past Week

Another week of dust and dirt has been the experience of the Panhandle, as this section enters the ninth consecutive week of almost constant dust storms.

While no outstanding storms have hit this section during the week, Tuesday was perhaps the most destructive so far as the soil was concerned, since actual erosion was in progress in most sections.

The wind was high most of last night, with the air constantly black with dust. No relief is promised immediately in the way of rain, although the weather department believes that plenty of rain will fall during the first half of May.

Increased Number See Exhibits During Past Months

FROM 40 STATES

Four Foreign Nations In List of Visitors Here

The Panhandle-Plains Historical Society Museum has had 16,743 visitors since September 1. This number is greater than the registration for all other corresponding periods since the opening of Pioneer Hall in 1933.

During this school year many groups and organizations have visited the Museum en masse. Most of such groups have been school classes from points over the Panhandle and Eastern New Mexico. These groups having come the longest distances were: The Clayton, New Mexico, football club; Groesbeck School, near Quanah; Littlefield school; and the advanced class in Geology from Texas Technological College at Lubbock.

Within the calendar year there have been visitors representing forty states of the United States and four foreign countries, Yorkshire, England; Tipperary, Ireland; Chihuahua, Mexico; and Windsor, Ontario, were the foreign addresses. One visitor, an early arrival from Byrd Expedition II, signed from Little America, Antarctica.

The most interesting object in the museum, according to a report of comments as given by Pollyanna Pitts, Museum secretary, was the portrait of Cornelia Adair by E. Tofano which hangs in Mary E. Hudspeth Room. Still in the artistic way, the second most commented upon object, or objects were the murals depicting the coming of white men into the Palo Duro. The murals were painted by Harold Bugby of Clarendon and Ben Carlton Mead of Amarillo.

MONEY GIVEN MONDAY FOR NEW BUILDING

Contractor Buys Materials to Get Work Started

WORK STARTS SOON

First PWA Project On W. T. Campus Is Ready

Work will start on the men's dormitory at W. T. during the coming week.

Money for the building was received Monday from PWA, and everything is in readiness for starting the job.

J. B. Maxey, general contractor, was here last week end from Lubbock and placed orders for materials on the building. Several car loads of cement, lumber and hardware will arrive early next week.

This will be the first PWA started on the campus of W. T., while four more projects have been approved by PWA at Washington.

Skilled men who wish to work on the building must sign up at the NRS office conducted by Miss Eva Robinson at the Relief Office.

Fellowship Talk Made Tuesday at Rotary Luncheon

Rev. J. R. Hicks, pastor of the local Baptist church, talked at the Rotary Club luncheon Tuesday on Fellowship. George Foster, chairman of the Fellowship committee, introduced the speaker.

Fellowship was declared by the speaker to be the great principle of life—thinking of the other fellow. The usual manner is to be for the other fellow when he has something we do not want.

The principle which is ruining the world today is selfishness. It is ruining business, ruining the church, ruining commerce. War is based upon supreme selfishness—to build upon the wreck of the other fellow.

Fellowship is the only method of overcoming this selfishness.

Bill Smith, chairman of the attendance committee reported on attendance so far this year. 22 members have 100% attendance for the 42 weeks since last July; 7 have 97%, 5 have 65%. The average of the club is 96.38%.

Visitors present were: Edwin Smith, Ben Anderson, Rockwell Cloud, Dr. R. Thomsen, Wilbur C. Hawk, C. E. Weymouth, Norris Ewing, H. B. Gooch, Carl D. Hair, all of Amarillo; Jed Rex of Lubbock; Rev. J. R. Hicks and Stuart Johnston of Canyon.

Thirty-one unanimous ballots were cast in the election of officers for the coming year as follows:

President, Irby Carruth. Vice president, Harry A. Brown. Secretary, Lee Johnson. Directors: Walter Upchurch, Pete Pearson, Bob Foster, Bob Jarrett.

Two More Rooms Occupied at W. T. Buffalo Courts

Two more rooms were completed on the Buffalo Courts yesterday and ten boys moved to the new quarters. Eight rooms in the Courts are now occupied by 25 boys.

Three more rooms are practically completed, but must be used for storage for materials of the remaining rooms and the recreation hall.

Coach Al Baggett states that materials for the recreation hall will be bought in a few days by the Board of Control from the money appropriated by the legislature three weeks ago.

An objective has been set up by Coach Baggett for the summer months of work, which includes completion of the recreation hall, the finishing of the three rooms in Buffalo Courts, and building two rooms of the Courts to the south of the hall. The foundation for these rooms was run several weeks ago.

While awaiting the materials for the hall, all work is being confined to the rock fence around the athletic field. A large number of men are working on this project. The State Relief Commission has approved a sufficient amount for labor to complete all of these projects, unless a change is made in the set up under the new work program of the President.

Dr. M. A. Biggers Fined On Charge Narcotic Officers

Dr. M. A. Biggers was indicted Friday by the federal grand jury on the charge filed against him by federal narcotic officers last week. He pleaded guilty in federal court Monday in Amarillo, and was fined \$20.

At the same time two Dalhart doctors and one Dalhart druggist pleaded guilty on the same charge and were assessed the same fine.

State Fire Marshal Checks Water and Fire Equipment

A check was made Friday of the water plant and fire fighting equipment by a deputy from the State Fire Marshal's office.

All of the pumps at the water station were carefully checked, as well as the other water equipment.

A test was made of the condition of the fire fighting equipment.

The equipment of Canyon has been reported excellent in the past, and it is expected that a similar report will be made as the result of this inspection.

Help Keep Canyon Clean!

Hog Contracts For 1934 Bring \$15,922

FATHER-SON BANQUET HELD MONDAY EVENING

One hundred and fifty plates were set for the father and son banquet held Monday night at the Baptist church.

Judge R. Walker Hall of Amarillo was toastmaster for the occasion. L. McNeill, dean of boys in the Amarillo high school, and the Beacon quartet of Amarillo had places on the program.

J. P. Winder of Gruver was in the city Monday visiting with old friends. He was formerly cashier of the First State Bank, leaving about 20 years ago.

Mr. and Mrs. J. J. Walker were in Lubbock Monday attending the funeral of a friend.

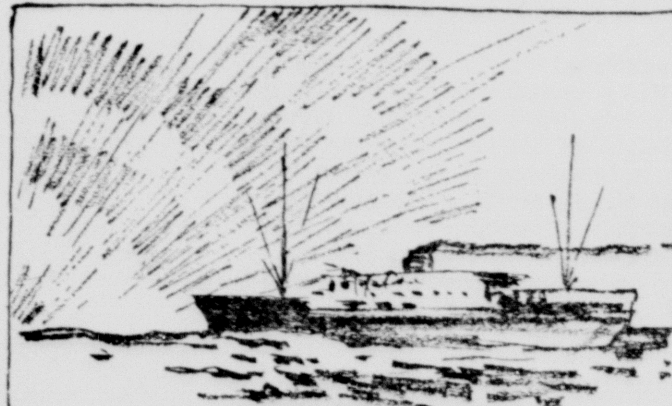

Last Payment Made To Farmers on 1934 Contracts

The last installment of the corn-hog checks for 1934 was received by County Agent W. H. Upchurch Friday and distribution was started immediately. Nearly all of the checks have been placed in the hands of the farmers.

A total of 208 checks in the amount of \$15,922.00 was received.

In checking the expense on the corn-hog campaign, it was found that only 3% of the total amount of money handled was used for expenses. In many sections the expense went as high as 12% of the total amount allowed for the campaign.

SUBSCRIPTION \$1.50 PER YEAR

Entered at the postoffice at Canyon, Texas, as second class matter. Published weekly at office, 1513 Fourth Avenue, Canyon, Texas.

Chalk up another service for Senator Small. He has written a gas conservation bill which is a real conservation measure. The funny thing was that last year the big pipe lines refused to consult Senator Small while putting out all their propaganda in Amarillo. They figured he would not fall in line with their pet scheme of squeezing out the small fellow through their conservation measure, since the Senator had sponsored the sour gas bill two years ago in order to make the big boys behave. The new gas bill, written by Senator Small, closes every form of gas waste in the Panhandle, and will put out of business many plants which have grown up because of the carelessness of the state in not protecting this great natural resource. But at the same time, ratable taking is introduced which will achieve for the small land owners the very thing the big fellows did not wish. The pipe line companies were convinced by Senator Small that it was up to them either to fall in line and be good, or be responsible for the continuation of waste which has been going on. Senator Small has been playing the arbiter at Austin during his eight years of service. Every time the legislature got in a jam with the really big problems, Senator Small has presented the solution with a new bill which has been accepted for its fairness. No wonder Dan Moody pronounced him to be one of the ablest men in the state; no wonder that Ross Sterling stated he was the fairest man he had dealt with while governor; no wonder Jim Ferguson acknowledged his ability, and offered him a place on the highway commission.

The loud mouthed opposition to President Roosevelt is being centered in the corn belt. The farmers of the middle west are denouncing AAA and other governmental activities, and demanding the resignation of Secretary Wallace. It is to be regretted that the farmers have been misled by a bunch of political parasites who oppose the present administration because they cannot run the Democratic party for their own personal profit. The farmers have more to be thankful for that Roosevelt was elected than any other class in America. The President has done, and is continuing to do every thing possible to restore the farmers first, believing that industry will recover only in proportion to the recovery of the farmer. The group of leaders who are opposing the President have not a single thing to their credit to prove their sincerity. Huey Long, for instance, is for sharing the wealth of the nation and making every one a king, yet has never introduced a single bill in congress to carry out his fantastical scheme. His platform is pure rot, and no one knows it better than Huey, but with a powerful personality, an unusual gift of gab, and unlimited wealth to pay his personal ex-

THE GREAT AMERICAN HOME

penses, he is making monkeys out of a lot of people who would be sane under normal conditions.

Dr. F. Newton Reynolds of Wheeler has announced that he will be a candidate to succeed Senator Clint Small. The list of likely candidates is growing. Last week Representative B. L. Rogers made the first formal announcement for the place. Representative H. K. Stanfield is certain to make the race. Judge A. A. Callaghan of Panhandle has had it in mind for some time to be a candidate for either the Senate or the House. The Pampa News announced last week that a Pampa man would run for the Senate. Two or more Amarillo men are considering making the race. John L. McCarty of Dalhart has been urged by many friends to get into the campaign. If Senator Small should decide to retire next year there will be a lively scrap for the place.

President Roosevelt made another of his convincing talks to the people of the nation Sunday night. He discussed those things which are of such great importance to the nation in the program of recovery. No wild, hysterical statements were made by the President. No tearing of hair, hurling of defies and threats, but a plain simple statement of facts so that each listener could understand. It is a pity that more public men cannot realize that our leaders may reach the people of the nation through safe and sane talk, rather than be forced to resort to fuss and fume of the soap box brand. After a silence of seven months, it may reasonably be expected that the President will talk to the people a number of times during the coming year when the great political battle will be staged.

The Texas Centennial bill has passed the legislature, and will probably be signed by the Governor before this is printed. A

great deal has been said about the historical feature of the centennial show to be held at Dallas, and the necessity of preserving the historical spots of the state. So far as the show is concerned next year, if it is a real success and if it draws and pleases the big crowds expected of it, only about 10 per cent of the Centennial will be historical, and the remainder will be another Century of Progress with more amusements than anything else. The people of the world are seeking a thrill today, and looking at the relics of the past does not furnish much thrill when shown at a big gathering like the Centennial.

The murder of Judge Pierson and his wife by their son is a most tragic thing, and one which removes one of the ablest judges from our courts. Governor Allred no doubt had a hard time filling his place on the Supreme Court. Of course he was besieged by friends who wanted the job. The calibre of the man named reflected the mind of the Governor in his ability to select a lawyer best fitted for the job, rather than merely paying political debts. Judge Critz is a worthy successor of Judge Pierson.

The latest racket is dog stealing. A group of boys in a neighboring town go out and steal the pet of a family able to pay. When the reward is offered, the dog is brought back. Often one of the gang solicits the reward even before the owner of the pet knows that it is stolen. One man acknowledges he has paid a dollar reward ten times to the boys. The boys are starting in the direction of the reform school or the penitentiary.

A third party has been tried a number of times, but has never accomplished more than defeat of the administration. The Long, Coughlin, Townsend, Milo Reno combination would gather up all the malcontents in the nation to fight the Roosevelt administration, regardless of results. However, the final result never bothers the flat heads who take a notion to wreck the administration which happens to be in power.

The Panhandle Press Association meets in Amarillo Friday and Saturday. The Palo Duro State Park will be given the once over Saturday by the visiting newspaper men. It will be quite a revelation to the visitors who saw the park for the first time last

FOR FULL MOTOR PROTECTION

Say
"OK-Drain"
— FILL WITH
CONOCO
GERM PROCESSED
MOTOR OIL

Modern cars must have
oil with extra oiliness

THE development since 1931 of motors of 80 to 180 horsepower has brought about correspondingly increased bearing pressures and crankcase temperatures. Motor manufacturers have turned to new alloy metals of extra strength and durability to meet these new conditions.

For full protection of such motors, you must have oil with enough extra oiliness and film strength to get safe lubrication under extreme pressure and heat.

Yet motor oils generally have no more oiliness and film strength now than they had ten years ago. Some oils have less, because over-refining to eliminate carbon and sludge has robbed them of oiliness and film strength.

There is one exception—Conoco Germ Processed Motor Oil. It, too, is free from carbon

and sludge troubles, as its users know after millions of trouble-free miles of driving. But more important, Almen and Timken machine tests prove it has more oiliness and 2 to 4 times the film strength of any straight mineral oil! That added oiliness and film strength protect your motor under all conditions.

Germ Processing—adding concentrated oily essence to highly-refined oil—gives other valuable advantages. Because Germ Processed Oil penetrates and combines with metal surfaces, a "Hidden Quart" stays up in your motor and cuts down starting-period wear. Germ Processed Oil gives longer mileage with greater motor protection, as proved by the famous Indianapolis Destruction Test.

Say "O.K.—Drain"—fill with Conoco Germ Processed Motor Oil and get full motor protection!

Central Teachers Capture Great Plains Honors

West Texas Won Junior
College Frosh
Division

In the revival of the Great Plains Meet Saturday on the Buffalo track the Central Oklahoma Teachers, coached by Claude Reeds, ran away with the college division, scoring 76 points for a wide margin over their nearest opponent.

West Texas State Teachers College freshmen won the junior college-freshmen division by garnering 79½ points to 34½ for their nearest opponent, Amarillo College. Dumas High School won the high school division with 47½ points to gain some measure of revenge over Pampa High School who nosed Dumas out for the Regional title.

Four new records were set in the meet which was revived after a lapse of four years. M. Cowan of Texas Tech cleared the bar at 12 feet, 6 inches to set a new mark in the pole vault. Delbert Lowes of Canyon held the old record on 12 feet, 4 inches, set in 1928.

Connel of A. C. C. topped the high jumpers in 148 seconds to lower the mark of 15 seconds in the high hurdles set by Naylor of Clarendon in 1928.

Dark, of Central Teachers, jumped 23 feet, 3½ inches, bettering the old mark of 23 feet, 1 inch, of Lee of Texas Tech since 1928. Nethery of Central Teachers ran the two mile race in 10:34.4 against the old record of Hodgson of Central Teachers of 10:24.7.

Jacobson of Central Teachers was high point man in the college division with 11 1-4 points; Reavis of Clarendon Junior College was high in the junior college division; and Kirkland of Dumas won scoring honors among the high schools with 15½ points.

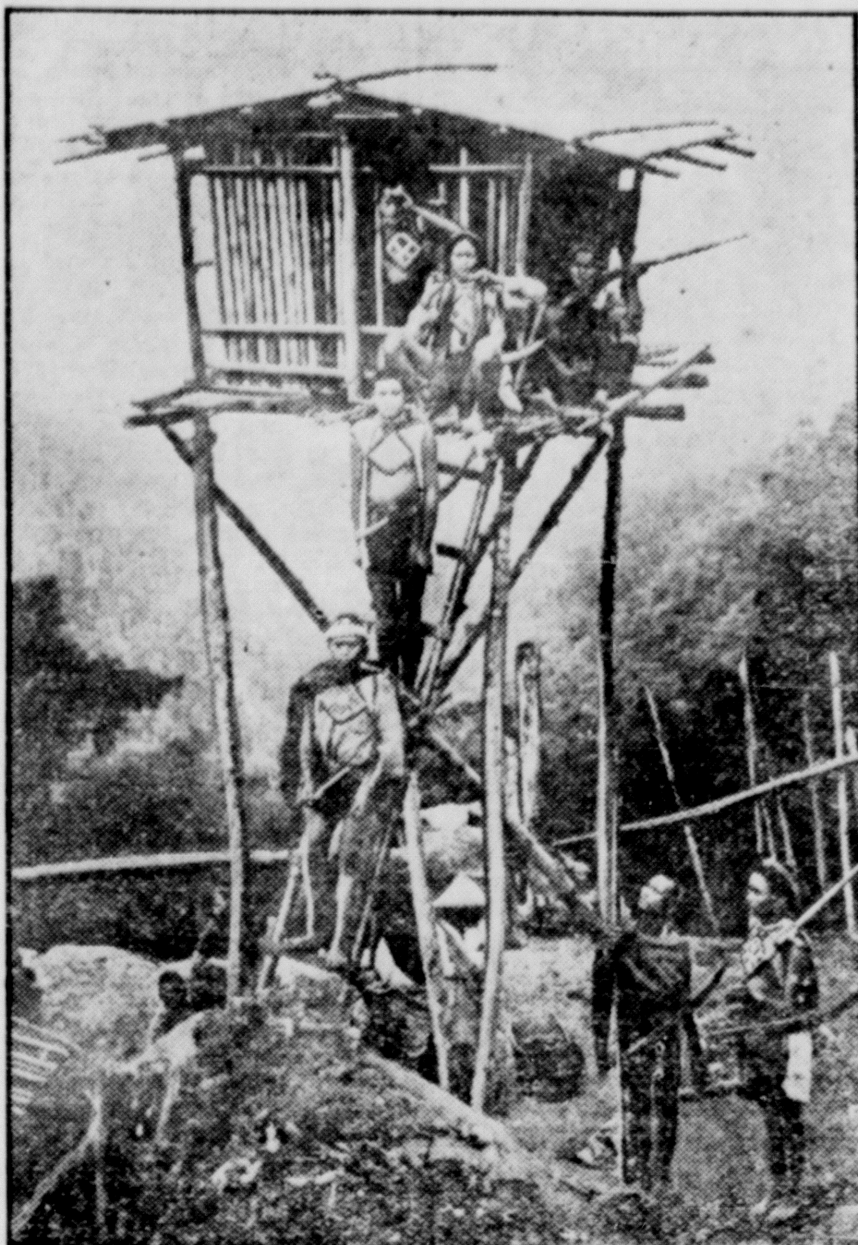

In the tennis, Pryor and Long of Central Teachers, won the doubles with 6-2, 6-1 victory over Symes and Spuhler of Texas Tech in the finals. Pryor and Long both entered the finals in singles to give the Central Teachers a clean sweep of the meet.

All coaches were pleased with the revival of the meet, and Coach Baggett announced that it would be an annual event hereafter.

Mr. and Mrs. Harlan O'Rear were guests of Mr. and Mrs. Glenn Reeve last week-end, attending the senior play last Thursday evening. Mrs. O'Rear will be remembered as Miss Esther Reeve, sister of Glenn Reeve.

The best place to have glasses fitted is at Dr. Hyden's, Amarillo. 38tf

Scene From Quake-Torn Island

This scene from the interior of Formosa reveals why many thousands of natives were left homeless when a series of earthquakes struck recently, killing more than 3000 and ravaging huge sections of the island. Perched on a spindly foundation, this typical Formosan hut suggests the primitive nature of the island's mode of life.

Music Lovers Are Invited to W. T. For Concert May 10

Music lovers from the entire Panhandle have been invited to the West Texas State Teachers College for the regular spring concert of the College Madrigal Club which will be given May 10, in the auditorium of the Education Building under the direction of Professor Wallace R. Clark, head of the department.

Assisting in the program will be Dr. B. F. Fronabarger, head of the department of English, who will give a short paper on Literature and Song.

The Madrigal library of the local college is one of the largest in the United States, having been secured from the Chicago Madrigal Club when it was disbanded. Professor Clark is a recognized authority in the field of Madrigal music. Thirty-two experienced singers compose the Madrigal Club.

Help Keep Canyon Clean!

EX-STUDENTS ACCEPTED NEW POSITIONS RECENTLY

Two prominent ex-students of the college have recently accepted new responsibilities. Amos H. Howard became post master at Lubbock this week. Mr. Howard was a student at W. T. in 1915.

J. Edd McLaughlin of Ralls, who was a student in 1911-12, was elected president of the South Plains Bankers Association at its recent meeting in Brownfield.

Four members of the McLaughlin family have attended school here. They are: Frank, J. Edd, Marvin and Clara.

Buffalo Band Plays At Jr. High School In Amarillo Wed.

The Buffalo Band under the direction of Mr. C. E. Strain went to Amarillo last week to play a concert at the Sam Houston Jr. High School. This was one of several trips which the band has made this year to acquaint people with the facilities which the college has for band study.

Walker, Duflet On Program In Okla. City, April 19-20

Professor J. L. Duflet and Darthula Walker attended the conference of the Southwest Social Science Society in Oklahoma City, April 19 and 20.

Mr. Duflet is a member of the Sociology division and Miss Walker belongs to the Geography division of the Society. During the conference Miss Walker gave a paper entitled "Human Adjustments to the Climatic Conditions of the High Plains of the Panhandle."

Among the distinguished speakers of the conference was Dean Pound of the Harvard Law School, who gave the main address at the evening meeting.

The Society meets annually to report latest researches in its various departments of which Economics, Geography, Government, Commerce, Accounting, Sociology, and Agriculture are the chief units.

Fairview Breezes

We have had several pretty days lately. The gardens are progressing nicely.

A goodly crowd was out for church Saturday night and Sunday morning and evening.

Earl Wesley has not been feeling so well the past few days, but is able to work.

Miss Othell Wesley spent the latter part of last week in the Mrs. H. E. Wesley home in Happy.

Miss Inez Wesley was in Canyon on business Saturday.

Guests in the E. M. Wilson home Sunday were: Mrs. C. M. Rogers and Frank, Mr. and Mrs. Harry Folk and children, and Mr. and Mrs. L. H. Barnard.

Mrs. Belle Washburn has moved home from Canyon. We are glad to have her back in our midst.

Guests in the J. W. Wesley home Sunday were: Mr. and Mrs. G. E. Wesley and Inez, Mrs. H. C. Evans, Mr. and Mrs. Sanford Sharps and family, S. A. Evans and family, Jack Sutton, Hollis Shipman, Fay Craig and H. B. Wesley.

Frank Green left for Littlefield Saturday for a few days' visit.

A number from Fairview donated work on the Wayside church, Monday.

Miss Nelson spent the week end at her home in Floydada.

Miss Cox spent the week end at her home near Salem.

A number of friends gathered in the home of J. W. Wesley Friday night for a "42" party.

A surprise party at the home of Bud Sutton was enjoyed by a large crowd.

Trigg School News

Plans are being made for a closing day school program. The date will be announced later.

Mr. and Mrs. Both and family visited Mr. and Mrs. Paul Fluegel Sunday.

Mr. and Mrs. John Haines called on Mr. and Mrs. Glenn Costley Sunday.

Mr. and Mrs. J. A. Warlick and Betty Fay and M. L. Kelly and Etta Mae Kelly visited Mr. and Mrs. W. M. Warlick of Amarillo.

Mr. and Mrs. Lloyd Ridling of Panhandle visited Sunday in the

As Father Coughlin Opened Drive

His parents, Mr. and Mrs. Thomas Coughlin, above, were present and beamed with pride as their son, the Rev. Father Charles E. Coughlin, left, launched his National Union for Social Justice into the turbulent sea of American politics. First of a series of proposed state conventions, the initial meeting, held in a Detroit stadium, was attended by a crowd of 17,000, which heard the militant Detroit priest speak on the purpose of the union, and denounce men in public life "who have promised us redress and failed." Several congressmen, among them Senators Elmer Thomas of Oklahoma and Gerald P. Nye of North Dakota, also spoke in behalf of the drive.

Declamation Contests Held At Demo. School

Children from eight schools met at the Demonstration school Saturday to participate in a declamation contest under the direction of Miss Novella Goodman. Winners were: Laurine Roddy, Connelly school, Randall County; Elizabeth McCaslin, W. T. Training School, Beulah Parker, Masterson school, Potter County; Walden Pavillard, Allison school, Potter County; Ralph Blankenship, Brady School, Potter County; Edwin Mc-Minn, Cliffside school, Potter County; Minnie Merle Lewis, Allison school, Potter County; Betty Rue Agee, Allison school, Potter County; John Thomas Sharp, W. T. Training School, and Walter Richerson, W. T. Training School.

Dogs bark at the moon but it goes on shining just the same. Something for chronic grouches to think about.

The man who thinks his business is the most important in the community is a long way toward making it such.

Newspaper editor writes about over-dressed girls. Wonder where he found the specimen for observation?

MRS. SILAS HART HOSTESS TO EDGETOWN CLUB

Uses of the foundation pattern in sleeve making was the topic of discussion at the Edgetown Home Demonstration Club, April 27, at the home of Mrs. W. T. Davis with Mrs. Silas Hart, hostess.

The raglan and dolman sleeves were made from the foundation pattern.

A list of home improvements was filed. This consisted of the number of fruit trees at the home and the shrubs planted this year. This record will serve as a check on what the homes are doing toward food production.

The club was divided into two groups, the Redbirds and the Bluebirds, for a six months' attendance contest. The winning side will be entertained by the losing group with a social.

Those present were: Mrs. G. H. Hardman, Mrs. J. W. Spencer, Mrs. W. T. Smith, Mrs. Dave Phillips, Mrs. Finis Brazil, Mrs. J. D. Breitting, Mrs. O. M. Solomon, Mrs. C. S. Sanford, Mrs. M. M. Morris, Mrs. W. T. Davis, Misses Mable Solomon and Alice Wooten, and Mrs. Silas Hart.

The next meeting will be an all day quilting at the home of Mrs. J. D. Breitting, May 3.

LUCKY 13'S AT R. B. DAVIS HOME MONDAY

Monday night members of the Lucky 13 Club were entertained at the home of Mr. and Mrs. R. B. Davis.

Bouquets of beautiful tulips were appropriately placed in the rooms where bridge was played at five tables.

At a late hour strawberry shortcake with whipped cream and coffee was served to Mr. and Mrs. Clyde Davis, Mr. and Mrs. Andy Walsh, Mrs. R. E. Harter, Mr. and Mrs. J. J. Walker, Mr. and Mrs. Hud Prichard, Mr. and Mrs. Ed Mickle, Mr. and Mrs. Frank Heles, Mr. and Mrs. Oscar Gano, Mr. and Mrs. Allen Farlow, Mr. and Mrs. J. L. Duflet, Mr. and Mrs. Joe Black, Mr. and Mrs. J. Madison Daugherty, and Mr. and Mrs. Davis.

WORTHWHILE CLUB MEMBERS ENTERTAINED

The Worthwhile Club was delightfully entertained at the home of Mrs. Silas Hart, 1900 Fifth avenue, Tuesday afternoon.

Sewing and stories of girl-hood days furnished entertainment.

Refreshments were served to Mrs. R. L. Campbell, Mrs. J. W. Lowry, Mrs. M. E. Cleavinger, guests; and Mrs. W. L. Johnston, Mrs. P. A. Thomas, Mrs. A. M. Smith, Mrs. Mrs. Emma Charles, and Mrs. Silas Hart.

The next meeting will be with Mrs. W. L. Johnston, May 9.

Help Keep Canyon Clean!

Young Busman's Holiday

From Brighton, England's Coney Island, all the way to London, this lad pedaled in a toy motor-bus built by his dad, a bus driver. It was just the boy's idea of a good way to spend a holiday.

GARRISON H. D. CLUB AT W. M. KINSEY HOME

Tuesday afternoon the Garrison Home Demonstration club met with Mrs. W. M. Kinsey and were given a very interesting demonstration by Mrs. Irvin Bauer on the uses of a foundation pattern.

Miss Nancy Williams gave a White King soap demonstration in addition to the regular program. Refreshments were served to Mrs. Roy Campbell, Miss Ardelle Spiser, Miss Evelyn Bauer, Miss Verna Merle Knapp, Miss Freda Munsterman, and Mrs. Ed Mauler, guests; and Mrs. E. J. Bauer, Mrs. L. F. Spiser, Mrs. Roy Roberts, Mrs. J. H. Knapp, Mrs. Noah Grimes, Mrs. Frank Culp, and Mrs. Ed Jones, members.

MRS. N. W. LIVESAY HAS JOWELL H. D. CLUB

Wednesday, April 24, the Jowell Home Demonstration Club met with Mrs. N. W. Livesay. Pockets and button-holes were the demonstrations given by Miss Sadie Kate Bass, Randall County Home Agent.

Those present were Mrs. Davis, Mrs. T. B. Cox, Mrs. T. J. Bonds, Mrs. C. P. Robertson, Mrs. N. W. Livesay and Mrs. Culp.

The next meeting will be with Mrs. T. B. Cox on May 1.

SCHEDULE OF THE WEEK FOR MISS BASS

Monday, May 6, Office.
Tuesday, May 7, Johnson Girls, 8:30 a. m.; Sunny Hill Women, 10:00 a. m.
Wednesday, May 8, Umbarger Girls, 2:00 p. m.
Thursday, May 9, 10:00 a. m., Garrison women with Mrs. R. C. Roberts as hostess.
Friday, May 10, Edgetown, 10:00 a. m.
Saturday, May 11, Office.

Lighter shades of hose are being worn and should be in harmony with other clothing, was a statement made by Mrs. W. A. Warren in a discussion on "The Kind and Care of Hose," to the Hosliery School of Home Demonstration women and 4-H Club girls, April 27, in the Federated Club room.

For evening the hose should be "beautifully sheer" said Mrs. Warren. Hose not so sheer may be worn for day time.

Other numbers on the program were: "The History of Silk," given by Miss Sadie Kate Bass, and a short sketch on "The Only Silk Hosliery Mill in Texas," by Mrs. Roy Campbell. Six clubs were represented with an attendance of fifteen.

Processed cheese has taken the place of meats and other protein foods on the table of Mrs. J. B. Knox, co-operator of Sunny Hill Home Demonstration Club since she saw the demonstration on processed cheese given by the County Home Demonstration Agent on Feb. 5. Mrs. Knox has made 90 pounds of this cheese from surplus milk. She won fourth place at the Plainview Dairy Show.

Orange crates have been made useful in arranging a temporary clothes closet 40 inches long, 19 inches wide, and 74 inches high by Mrs. E. W. Miller, wardrobe demonstrator of the Centerville Home Demonstration Club. The orange crates are set on legs 1 inch by 2 inches by 12 inches. 3½ crates form a row of shelves up the outer side and across the top, one side is nailed to the wall, a broom stick is used for the rod, a cretonne curtain is hung around the shelves and hanging space.

Mrs. Miller has improved a small permanent clothes closet by covering an old flue, putting light paper on the walls, lowering the rod, and adding an upper shelf for quilts. An orange crate and a cretonne curtain has made small shelves for folded garments. A hat box, shoe racks and hose bags are other improvements to be added.

RANDALL H. D. COUNCIL MET SATURDAY

Plans for a dress contest for Home Demonstration club women of Randall County, to be held in Canyon, June 13th, were made at the Council meeting held in the Federated Club room in Canyon, Saturday, April 27.

Miss Sadie Kate Bass, Home Demonstration Agent, discussed her meeting with each club for the month of May, which will be the "Making of Butter Cakes."

The second meeting will be the "Kind and Care of Hose."

There were 22 members and 3 visitors present.

METHODIST YOUNG WOMEN MET MONDAY

Mrs. Mack Gillham, Mrs. C. M. Dowlen and Mrs. Frank Hastings were hostesses Monday night at the home of Mrs. Dowlen to a group of young women of the Methodist church for the purpose of discussing plans and organization of a young woman's circle of the Missionary Society.

Mrs. R. I. Graves, Mrs. J. O. Haymes and Mrs. Walter Leachman of Amarillo were present and outlined the work to be done and the results to be accomplished in an organization of this kind.

All of the young women of the town, both married and single, are invited to the home of Mrs. J. O. Quattlebaum next Monday night at 7:30 o'clock for the organization of this circle. Mrs. T. M. Moore was appointed temporary chairman and will have charge of the meeting Monday.

Delicious refreshment of ice cream with coconut sticks were served to those present at the conclusion of the business meeting.

JOHNSON 4-H CLUB HOLDS MEETING

At the last meeting of the Johnson 4-H Club girls they discussed the purposes and uses of clothes bags made from newspapers. They were told by Miss Sadie Kate Bass that the bags may be used both as a moth bag and a protection from the dust.

Clothing and dress material was also discussed by Miss Bass at this meeting.

The following were present: Lula, Luella, and Ardelle Spiser, Dorothy, Evelyn and Carrie Bauer, Elsie Bauer, Mary and Margaret Szylowski, and Mrs. E. J. Bauer, the Club sponsor.

This Week's Patterns

DELIGHTFULLY feminine is the attractive and comfortable morning frock, Pattern 525. A slenderizing panel ends in the overpleats from the side, and the skirt is fitted at the back by darts. A distinctive touch is added by a flattering collar. Suitable materials are gingham, seersucker, and percale.

Patterns are sized 36 to 52. Size 44 requires 4½ yards of 32 or 35-inch fabric plus ½ yard contrast.

A gay addition to any wardrobe is this easy-to-slip-into frock, Pattern 503. It buttons at the waistline in front, and tricky pockets, cuffs, and belt stitched in rows conform with the tailored collar. This model is attractive in gingham, percale, or chambray.

Patterns are sized 14 to 20 and 32 to 42. Size 18 requires 4½ yards of 39-inch fabric.

To secure a PATTERN and STEP-BY-STEP SEWING INSTRUCTIONS, fill out the coupon below, being sure to MENTION THE NAME OF THIS NEWSPAPER.

FOUNDATION PATTERNS ARE STUDIED AT PARK CLUB

"Foundation patterns may be used for cutting slips, and they are also helpful when using a commercial patterns to assure a good fitting garment," said the members of the Park Home Demonstration Club, when answering roll call at the home of Mrs. Owen Turpin, April 18.

Those present were: Miss Gracie Ray Bennett, and Mrs. R. C. Venable, guests. Members were: Mrs. B. F. McMahan, Mrs. Owen Turpin, Mrs. O. Holman, Mrs. W. E. Bennett, Mrs. Frank Winters, Jr., Mrs. Ivan Pitt, Mrs. Herick Simon, Mrs. E. T. Winters, Mrs. Jas. E. Park, Mrs. Frank Simon, Mrs. Flynn Winters, Mrs. A. B. White, Mrs. L. W. Winters, Mrs. D. D. Vaughn, Mrs. James Eddie Park, Mrs. John Ladehoff, and Mrs. O. E. Sherer.

FRANCES USERY ENTERTAINS WITH SLUMBER PARTY

Misses Geneva Griffin, Tommy Chambers, Sara Moore, and Frances Grimes were the guests of Frances Usery at a slumber party last Friday night at The Shack. Cookies and coffee were served during the evening.

Help Keep Canyon Clean!

THE AS YOU LIKE IT CLUB WITH MRS. MCINTIRE

Thursday afternoon Mrs. N. E. McIntire entertained As You Like It Club members and guests at her home 1309 Fifth avenue.

Tulips and bridal wreath furnished the attractive decorations.

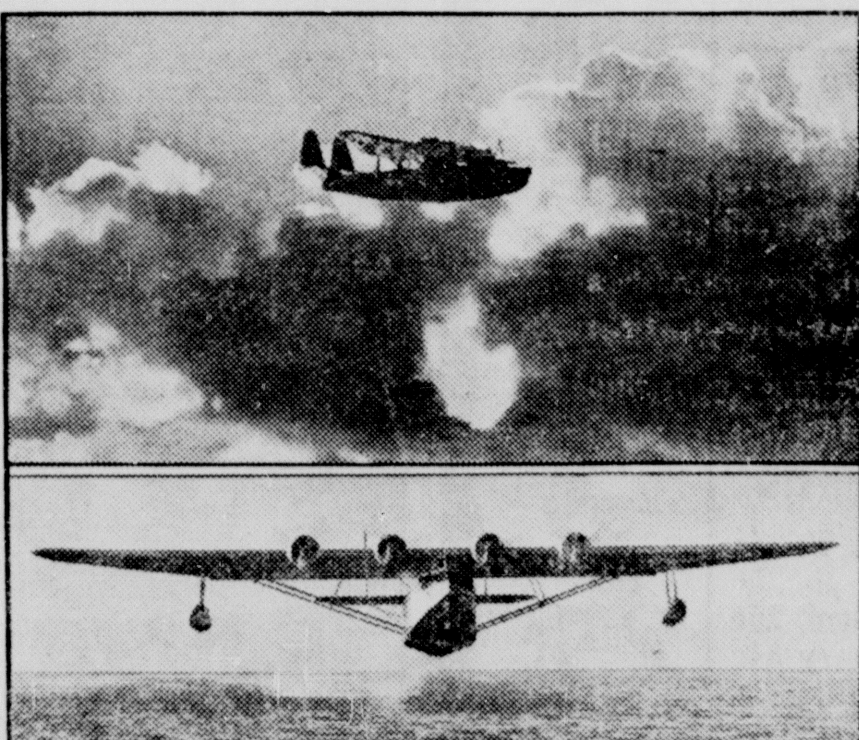

After many games of bridge were played a dessert course, carrying out the pink and white color scheme, was served to Mrs. F. E. Savage, Mrs. J. J. Walker, Mrs. T. M. Moore, Mrs. John Fry, Mrs. A. W. Sternberg, Mrs. Clyde McElroy, Mrs. L. Angel, Mrs. C. M. Presley, Mrs. D. M. Stewart, Mrs. T. B. McCarter, Mrs. Earl Robbins and Mrs. Wm. Ash.

HOME ECONOMICS STUDENTS HONORED WITH TEA

The girls of the Home Economics Practice House and Miss Orpa Dennis entertained all Home Economics students with a tea on last Saturday afternoon from 4:00 until 5:00. Mrs. Smiley M. Lovelady, Misses Irene Hurst and Zona Beth Faulkner were acting hostesses.

The rooms were decorated with spiraea and yellow roses. Yellow candles were used. Cookies, sandwiches, and salted pecans were served with the tea poured by Miss Cox and Miss Dennis.

Clipper Blazes Pacific Trail

In its historical flight, inaugurating the sky path that will link the United States with the Orient, the mammoth Pan American Clipper, its four propellers whirling thunderously, rose gracefully from the placid waters of San Francisco Bay and, silhouetted against a background of billowing clouds, slowly passed from sight. Its speedy, successful hop to Hawaii marked auspiciously the opening of the new California-China air route.

FRIDAY AFTERNOON CLUB PARTY FOR HUSBANDS

Friday night Mr. and Mrs. W. C. Black acted as host and hostess to the Friday Afternoon Club members and their husbands with a dinner-bridge at their home 1011 Fifth avenue.

The spring motif was carried out in the vases of tulips and iris used for decoration and in the place cards.

Those present were Mr. and Mrs. Guy Harp, Mr. and Mrs. Wes Kleinschmidt, Mr. and Mrs. Tom Knighton, Mr. and Mrs. Clarence Thompson, Mr. and Mrs. Clyde Warwick, Mr. and Mrs. Dan Sanders, Mr. and Mrs. Irby Carruth, Dr. and Mrs. R. A. Neblett, Mr. and Mrs. C. R. Burrow, Mr. and Mrs. Ray Campbell, Mr. and Mrs. Felix Neff, Mrs. Marion Bishir, and Mrs. Millard Wolf.

Scientist predicts that in the year 2035 "man may become static at whatever age pleases him." Well, crooners do now.

AMARILLO VISITORS AT CHRISTIAN CHURCH

A group of members from the Amarillo West Side Christian Church visited the Missionary Society of the Canyon Christian Church, Tuesday, Mrs. Earl Sparks and Mrs. Wales spoke regarding the work of the Amarillo church, while Mrs. J. B. Elliston conducted the devotional for the local church.

After the program refreshments of ice cream, cake and punch were served to the eight visitors and ten members.

When a young man's fancy lightly turns to a two-passenger car, he ought to have enough for the first payment at least.

Remember the old-fashioned boy whose heart used to swell with pride over his rubber-tired rig and red running gear.

Speak gently of others and you won't have to complain of what they say of you.

Trans-Pacific Air Service Soon to Change 'Far East' to 'Near East'

Between massive steel towers of the Golden Gate bridge, another symbol of progress, the Pan American Clipper, heads out over the Pacific. The route of the new transoceanic air service is shown in the chart at the left. Below is a view of one of the desolate Wake Islands, which will provide a "stepping-stone" for the flying sea liners of the future.

PROGRESS is bringing the Orient "next door" to America. This summer it will be possible to step into an ocean air liner in California and, after about three days of comfortable flying, arrive in remote China. Until now, the fastest steamship has required three weeks for the trip.

A whirlwind of recent activity is making possible this amazing achievement. While a steamer is dropping off men and supplies at islands dotting the trail to the Far East, converting them into veritable "stepping-stones," the giant Pan American Clipper has been tested over the first lap of the route. Climaxing a series of personnel-training, experimental flights with a recent record-smashing hop to Hawaii, the Clipper's crew has spent several days flying about the territory, collecting data necessary when regular passenger and freight service starts this summer.

THE Pan American Clipper, and its sister ship, the Brazilian Clipper, will inaugurate trans-

Pacific service. Each has a wingspread of 114 feet, is nearly 70 feet long and has four motors which develop 2800 h. p. to propel 19 gross tons of weight through the air at a cruising speed of 150 miles an hour.

Each can accommodate 32 passengers, a crew, and a ton of mail and cargo over normal ranges.

Another and still larger type of ship, the Martin Clipper, with a maximum capacity of 53, may be drafted into this nucleus of America's future commercial air fleet.

Bases are being set up at four points: desolate Eastern Island in the Midway group, Wilkie's Island in the Wake group, Guam and Manila. At each, the steamship North Haven is dropping a crew of men, pre-fabricated buildings, food supplies—in fact, nearly every necessity down to garden seed and collar buttons.

In July or August, all the Pacific bases will be ready for operation. Soon afterward, passengers can step aboard a commodious plane at Alameda or San

Diego, Calif., and after a short stop in Honolulu, find themselves on the previously uninhabited Eastern Island the next day.

Here they will see a modern airport and midjet community as they step ashore. There will be huge underground gasoline storage tanks, a powerhouse, and a building housing a powerful radio transmitter.

Nearby will be the transmitting station of the radio direction finder which guides the huge ships. Other frame buildings will be the airport office, radio receiving station, and snug staff quarters.

A similar view will greet the passengers at Wilkie's Island. Two more stops, at Guam, and at Manila in the Philippines, then the nose of the great Clipper will turn north for the comparatively short last lap into Canton, China, where it will connect with the Pan American's 3000-mile Chinese system.

And a new chapter in the dramatic saga of transportation as colorful as that written by the glamorous Yankee clippers of the last century, will unfold.

Palo Duro Peeps

Mr. and Mrs. B. B. Stoddard and Mrs. Hattie Quattlebaum of Leedey, Oklahoma, were week end visitors in the J. C. McClendon home.

Mrs. Henry F. Miller entertained the Lutheran Ladies Aid Thursday afternoon.

Mr. and Mrs. C. W. Bauer and family were visitors in the parental G. H. Leseberg home Sunday.

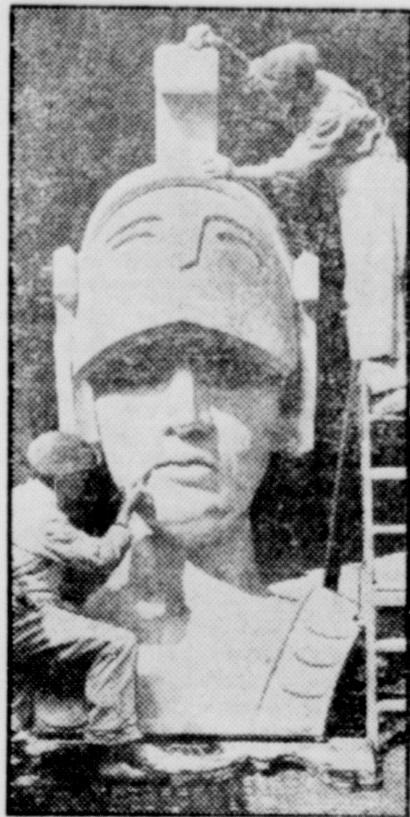

Callers in the Henry Miller home this week end were Mrs. E. H. Albers and Phyllis, Misses Leona and Anna Meyer, Mr. and Mrs. C. W. Bauer and family, Mr. and Mrs. Okka Okkenga, Mrs. J. S. Humphreys, Mrs. G. H. Leseberg, Mr. and Mrs. Raymond Tuck, and Wilma Schuette.

Mr. and Mrs. Fred Schuette visited in the Herman Kuhlman home Monday afternoon.

Mrs. Pauline Wendelken visited friends in Amarillo Monday.

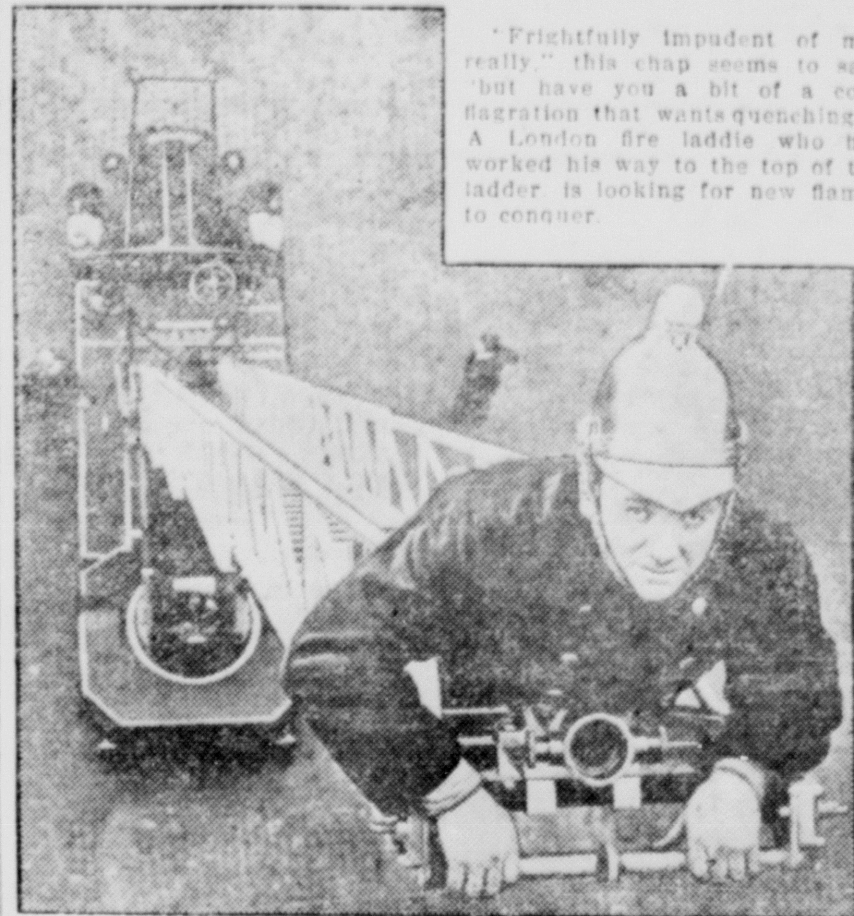

Anna Belle and Frank Ingram withdrew from school Friday.

Britannia Dolls Up for Jubilee

Applying that last touch to the lips that stamps a distinguished woman, and sponging her helmet, workmen are shown getting Britannia in shape to take part in the King's Jubilee celebration. This 12-foot plaster head is part of a 40-foot statue to be erected in London.

Pardon, Sir, but Did You Ring?

"Frightfully impudent of me, really," this chap seems to say, "but have you a bit of a conflagration that wants quenching?" A London fire laddie who has worked his way to the top of the ladder is looking for new flames to conquer.

Professing to believe one thing and doing the opposite is another double standard the world frowns on.

Asking a man his opinion of the automobile he drives is the same as asking his wife about their children.

TRADE WITH CONFIDENCE

Their Fate Hangs in Balance

With apparent nonchalance these three soldier-acrobats perform daring feats on parallel bars mounted on a motorcycle as they rehearse at an arena in Yorkshire, England, for the Royal Tournament to be held in London.

PRESBYTERIAN CHURCH
Sunday School, 9:45 a. m.
C. E. Societies at 7:00 p. m.
There will be no worship services Sunday. The pastor was called to Dallas, and will not return until Tuesday.

The depression has been of value in that it has shown us who were our real friends and who were our fair weather friends. The real friends are still with us. The fair weather friends have looked up new connections. While the discovery sometimes comes in the nature of a jolt it is a source of some satisfaction to discover the difference.

GRAFT IN PUBLIC AFFAIRS? YES, IN PRIVATE ONES, TOO

The popular suspicion that public affairs are spotted here and there with graft is no doubt justified in part; but it's just as safe a bet that there's no more of the sub-rosa in public affairs than there is in private ones. Think it over a bit and see if you don't agree.

Did you ever hear of a couple of salesmen ganging up on a hard customer? Or a farmer trying to get a higher bid out of a hog-buyer by telling him of a better offer from another quarter?

Or a couple of neighbors getting together to fool an insurance adjuster?

Perhaps you know it's rather common practice to try to fool the assessor on the value of your property—or did you think you were the only one?

Maybe you have heard of some attempts at sharp practice in the recent corn-hog sign-up.

Sometimes you hear of children being told by parents to falsify to their age when buying theater or circus admissions; or railroad fares.

Ages of horses and cows are not always correctly given when a sale is involved. Eggs not entirely fresh used to be sold to the grocers without hurting the seller's conscience, hardened to the practice.

Doctors, it is said, sometimes have little agreements among themselves regarding a wealthy client; lawyers ditto. Merchants sometimes incorrectly describe the merits of their goods.

In fact, I can think of "graft" possibilities in all lines but the newspaper business, and I'll let you do the thinking on that.

Yes, there's doubtless a little graft here and there in public affairs because public affairs are run by people just like you and me—Press, Osage, Iowa.

To be possessed of the faculty to remember is a great thing, but to be able to think ahead is worth much more.

In building a house, you'd be surprised at the suggestions you can get from people who never built one.

FDR in New Sartorial Role

Recent pictures, taken during President Roosevelt's fishing cruise, showed the chief executive clothed in a rough-and-ready wrinkled duck suit, with an old crush hat to match. Now he appears to have swung to the other extreme. Seemingly quite the man about town, President Roosevelt is shown above, in top hat 'n' everything.

The following story is told of a Texan who was a candidate for office. He had just finished his speech with a peroration that brought the crowd to its feet in a frenzy of applause. "Them thar," he thundered with his face apoplectic and beaded with perspiration, "air my sentiments and if you don't like 'em," he roared with a challenge that made cold shivers run up and down the spines of his listeners, "I can change 'em."

Washington made the country. Lincoln preserved it, Edison lighted it, Ford put it on wheels.

Loss of temper is loss of sense.

THE EAGLE'S TALE

VOLUME NO. 9

CANYON, TEXAS, MAY 2, 1935.

NUMBER 33

Cactus Cal

It seems to me like we have a new disease in high school. At least I heard Mr. Pope tell Wade that he had Jack Taylor's case of Smart Alecks. I certainly hope it's not ketchup!

That Senior-Eagle football game last Wednesday was some game—even if the Eagles did get beat 22-0. They said Captain Curtis got sore at Captain Wesley Fat cause he threw his passes so low that Curtis couldn't intercept them.

Talk about rubbing elbows—since that Senior-Eagle game the boys have started them a "Sore Elbow" club. I don't know who the president is, but it seems to me like Bud Myers ought to be—cause he's really got a big sore on his elbow. (It would make a nice size sandwich.)

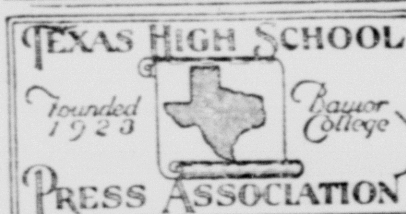

Speck Furlow was reciting "Lucy Gray" in English the other morning, and right in the middle he stopped and said he wished he had a piano. I guess he figured he could carry the tune better.

By the way, Zella Laughery has a new nick name. See if you can find it out—and just why they call her it. You might ask G. M.

You know, Miss Angel, the press club sure wants to thank you for the nice donation you gave them for the trip to Austin, and I also heard 'em expressing how proud they were for Sarah Thompson and Gladys Hutton helping with their Bage Sale Saturday.

Well, I hear the Seniors had a nice trip to Carlsbad and the Press Club enjoyed the day at Pampa—so, I guess everybody's happy.

Cactus Cal.

COLLEGE EDUCATION
WILL AID YOUR SUCCESS

Boys, what stands ahead of you? Failure? Success? What?

If you want to be a "Jack of all trades", that is to say, no trade, maybe your high school education will suffice. However, in conditions that prevail at present, it has been proved that men must have a college education to do anything more profitable than "digging ditches."

Your diploma cannot exhibit your knowledge; it is only the proof that you have gained the foundation of your education. Why not build firmly on that foundation now by developing through higher learning in college?

WHAT WE SHARE

"—What we share."

Croquet is the most popular sport of Canyon High School at the present. Two croquet sets and two croquet grounds are available to those who wish to play.

Someone once said "to make friends, be one." And, Lowell said, "It's not what we give, but what we share." These croquet sets were given to be played by all, but are they shared as much as possible? Does everyone get to play, or does one clique monopolize the field? Does one make friends by monopolizing the croquet field?

No one likes direct supervision of teachers when he is playing an enjoyable game—so why not share with others and avoid more trouble?

NICHOLAS ENTERTAINS

SENIOR PLAY CAST

Tuesday night after Senior play practice, Margaret Nicholas entertained the cast with a social.

Table games were played; other entertainment was playing the piano and singing songs.

Refreshments of banana splits and wafers were served.

SENIOR CLASS TAKES TRIP TO CARLSBAD SAT.

THE CLASS LEFT FRIDAY A. M. AND AFTER VISITING THE CAVERN RETURNED HOME EARLY SUNDAY MORNING

By Mary May Harrison

With baggage, blankets, lunches, and seniors overflowing, the bus left school for Carlsbad Caverns Friday morning. There were 35 students, with two sponsors, Mr. C. C. Jones and Miss Grace M. Clark, and three chaperones, Mrs. Joe H. Black, Mrs. R. T. Bowman, and Mrs. Lorenzo Wirt. Five students went in a car with Mr. E. W. Woods.

The first stop was at Clovis, N. M., for refueling of bus and students. New Mexico time made dinner an hour late, so that by the time 12 o'clock came, we were plenty ready for the lunches we had fixed.

Movie magazines, cross word puzzles and singing, (mostly a solo by Jackie Pitts), provided entertainment until we reached Roswell. After a few minutes to eat, we started on the last lap to Carlsbad.

Arrive at Carlsbad

We arrived at Carlsbad about 5:30 and found all the camps filled with other senior classes. After an hour of searching, cabins were found at White City, six miles from the Cavern.

The main points of interest there were the spring, the museum, and the cave. After supper, Mr. White gave a lecture in the museum about some skeletons and mummies and other old relics that Jim White, discoverer of Carlsbad Cavern, had found. According to archaeologists the skeletons were of a Mongol race that lived in that region more than 6,000 years ago.

Start Through Cave

The bus left White City for the Cavern at 9:30 a. m. From 9:30 a. m. until 10:30 a. m., the time for the trip through the Cavern to start, we explored the buildings and bought souvenirs.

At 10:30 nearly 500 people started through the Cavern. At the mouth of the cave the chief guide gave instructions and rules.

There was so much to see that we got cricks in our necks trying to look up and down and all directions at once. Two interesting rock formations we saw were the whale's mouth and baby hippopotamus.

At 12 o'clock we stopped in the Big Room for an hour for lunch. Lunches of sandwiches, cake and coffee were served in the Cavern.

Stop at Rock of Ages

After lunch we finished exploring the Big Room and stopped at the Rock of Ages that is estimated to be 50,000,000 years old. All the lights were turned out and the Cave was left in total darkness while a guide quartet sang "Rock of Ages," then the lights were turned on one section at a time. After the guide had given instructions about how to get out, the party started up, and those taking the elevator left the others. Only two of our party took the elevator.

Frequent rests were taken going up, and then at 4 o'clock we reached the top, having walked 6½ miles in 5½ hours.

We started for home about 5:30 and stopped to eat supper in Carlsbad. At 4:00 a. m. we rolled into Canyon, sleepy and tired but happy.

Spanish Classes Honor Cervantes

The Spanish classes in Canyon High School celebrated last week as Cervantes' Week.

Cervantes was a leading Spanish writer and was author of the widely read "Don Quixote." The first year Spanish class translated from Spanish to English stories from Don Quixote, and the second year class had special reports on Cervantes. A new picture of Cervantes was also placed on the bulletin board in the Spanish room.

Juniors Plan To Have Picnic Tues.

Thirty members of the Junior Class plan to have a twilight picnic next Tuesday, May 7, at the creek north of Bourn's Dairy.

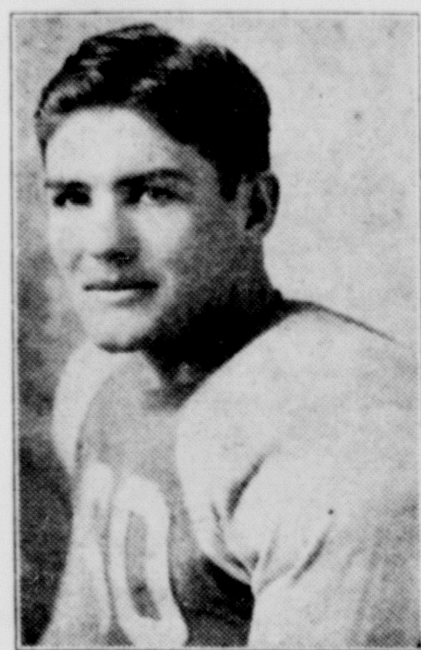

The students are to bring their own food and donate to the Junior class as much as they see fit—from one cent to any amount. The proceeds will go to finance the Junior-Senior banquet May 11.

The Juniors will leave from the high school at 6:00 and return at 9 o'clock.

Polly Little visited in Panhandle the last week-end.

Senior Gridsters Defeat '35 Eagles 22-0 Tuesday

'35 Captain

—Britain's Studio.

Fourteen senior boys donned high school football togs for the last time and defeated the '35 squad 22 to 0 in a regular game at Buffalo Field, April 24. Although the seniors had no work outs prior to the game, only slight injuries were sustained by members of both squads.

Seniors Score Early

The first part of the game found the seniors becoming accustomed to their togs and the Eagles '35 squad becoming accustomed to meeting a gridiron foe. The seniors blocked one of Wandell Johnson's punts and made a safety to start the scoring.

Lisle and Childers Run

After a few plays the Eagles '35 squad again punted and the seniors received the ball on their 54 yard line. They bucked the line three times to gain one yard. On the last down Hampton Lisle took the ball and carried it to the 30 yard line. After the next two plays which netted five yards, Lisle again took the ball and carried it to the three yard line. Childers went through the line for the touchdown, while Ed Brooks placed the ball for the extra point.

The rest of the quarter was a punting contest between Wandell Johnson and Brooks. In the next quarter neither side made any spectacular plays.

Substitutions Made

At the half the senior coaches, Schmitz and Steen, gave their team advice and substituted Myers for Cayton, Cone for Pitts, and Hill for O'Donald. Water boy Kenneth Black, let the players manage for their own water because he had no water bucket.

Callihan was the only substitute that went in for the '35 squad.

As the '35 team won the toss at the first of the game, the seniors chose to kick off. The entire quarter was a close contest, although the '35 team made a few more yards during the period than did the seniors. Before the quarter was up Pitts, Cayton, and O'Donald went in for Myers, Cone and Hill.

Brooks Scores

The seniors had possession of the ball the greater part of the last quarter. Brooks received one of Wandell Johnson's punts on the 45 yard line and raced down the field to cross the goal line after his jersey had been ripped from his back. He accounted for the extra point.

The fourth period was almost up when the seniors gained possession of the ball by blocking Wandell Johnson's punt.

Wade Johnson carried the ball 25 yards in two plays. On the next play Hampton Lisle took the ball and ran 15 yards for the final count.

Line-ups: Clouch 1e Ellison
Avent 1g Cayton
Bewley 1t Johnson
Rusk c Black
Burroughs rt Wooten
Wilkinson rg O'Donald
Harris re Childers
L. Lisle rb Solomon
Cox fb Brooks
Johnson rh Pitts
Drummond qb H. Lisle

Program Given By Groom Band

The Groom School Band, under direction of Bob Newton, played for the students in a special assembly April 23, at 11:15.

The program was: Western Spirit—a march. Military Escort—a march. Cornet Solo—Jim Britain. Merry Minstrel—a march. Lake of Ocala—a waltz.

Old Faithful—Raymond Woods, solo with guitar accompaniment.

Motnet, Queen of My Heart—Raymond Woods, as encore.

Overture.

Field Day—march.

There's An Empty Cot in the Bunk House Tonight—Raymond Woods.

Dress Parade.

Rifle Rangers.

STAFF MEMBERS ATTEND PHSPA GATHREING SAT.

WHEELER CORRAL WINS FIRST PLACE; NEWS STORY, EDITORIAL AWARDS GO TO PANTHER SCREAM, HAPPY ROUND-UP.

Twenty-four members of the Eagles Tale staff attended the annual convention of the Panhandle High School Press Association which was at Pampa last Saturday. The Convention was arranged by Miss Fannie May, faculty advisor of the organization, and members of The Little Harvester staff of Pampa High School.

The Wheeler Corral, four page tabloid in the Wheeler Times, won the large trophy given by Gilmore Nunn for the best all around paper. A sports story written by Robert McKenzie, of the Panhandle Panther Scream won the News-Globe trophy for the best news story, and an editorial from the Round-Up, Happy High School Page, won the Canyon News trophy for the best editorial. Borger placed second for the all around paper, and The Eagles Tale came third. The Eagles Tale placed first in this district of the Inter-scholastic League, and won first in the state as a school page in the Texas High School Press Association. Both Wheeler and Borger are members of the organization.

Maxwell is 1936 President

Officers for the coming year are Marjorie Maxwell of Borger, president; Orveta Puett of Wheeler, vice-president; Doris Eubanks of Panhandle, secretary and treasurer; and Margaret Sheers, sponsor of Panhandle Panthers Scream, faculty advisor. Officers of last year were: Vena Mae Moon of Dalhart, president; Bill Cone of Canyon, vice president; Elsie May Johnson of Pampa, secretary-treasurer; and Miss Fannie May of Pampa, faculty advisor.

Registrations continued from 9 o'clock until 10 o'clock when the first business session was held. Five schools including Canadian, Borger, Dimmitt, White Deer, and Wheeler were given membership giving the organization a total of 18 members. The organization voted to give honorary membership to Gilmore Nunn of the Pampa Daily News; Olin E. Hinkle, managing editor of the Pampa Daily News; and Clyde W. Warwick, editor of the Canyon News.

Discussion Groups

Discussion groups were held on "Financing a Separate School Paper," led by Roland Blacok, editor of The Borger Bulldog's Grove; "Bringing the Annual in Reach of the High School," by Jim Roach, business manager of La Alrosa, the annual of Amarillo High School; "Problems of News Editors," by Mildred Tolbert, news editor of The Little Harvester of Pampa; "Staff Organization," by Bill Cone, editor of The Eagles Tale of Canyon.

An amendment for the change of the time of the meeting of the convention was added to the constitution. The meeting will now be held the first Saturday in February. Also another amendment was added saying that all ex-students that were members of the P. H. S. P. A. when in high school can be members as long as they so desire to keep active membership.

A luncheon was served to the delegates in the high school cafeteria at 12 o'clock.

Nunn Speaker

The speaker of the luncheon was Mr. Nunn, who told informally of his experiences as a Washington correspondent. He discussed the hardships, but gave the thrills of being in the group that were in President Roosevelt's conference.

At a reception in the club rooms of the city hall, the trophies for the three contests were presented. Mr. Hinkle gave a demonstration of the steps in preparing a newspaper engraving.

Mr. Hinkle had an exhibit of foreign newspapers in the high school library which he had collected for the Panhandle Press Association.

Convention at Panhandle

The convention will be held in Panhandle next year.

Each delegate was given an extra edition of The Little Harvester. In this was the story of the convention and the autographs of all delegates.

Armor Lee Greenfield, Robbie Foster, and Laura Fern Brian, ex-students of Canyon High School, also attended the convention with the high school delegates.

Miss Frances Singleton, 1B teacher, who has been in St. Anthony's Hospital in Amarillo, has returned to her home and is reported to be improving rapidly.

Help Keep Canyon Clean!

Press Club Leaves Today For Austin; 22 Delegates Go

Play Rehearsals For Senior Play Held May 9th

The cast of the Senior play is rehearsing every night this week and has been meeting regularly since the cast was chosen, April 8th. Director Irene Angel has made out a regular schedule for rehearsals.

Last week, the characters in Acts I, II, and III and the characters in Acts IV and V met alternate nights. Next week those scenes and characters who need most drilling will be rehearsed. All members of the cast going to Austin Thursday, are required to have their lines memorized by May 2.

The final dress rehearsal will be held Thursday, May 9, and the play will be presented May 10 in the High School auditorium.

Suggested Courses Give Pupils Three Plans for Studies

Three major programs, namely, academic, commercial and vocational courses, are being recommended for Canyon High School students for the school year of 1935 and 1936.

These courses are recommended for pupils to follow in the general field with which he desires to become acquainted. The 1935-'36 program is arranged to care for these major programs first; optional selections being made where they will not conflict with the major groups.

The standard academic curriculum requires four years of English, two and one-half years of mathematics, two and one-half years of social sciences, and Biology. Another year of social science, Spanish I and II, and one-half year of solid geometry are listed on the standard academic curriculum, but are not required. This course is for those who are planning to pursue college academic work.

Commercial Work

For students intending to pursue the commercial field in college work, or those who may have to go into the business world with little or no college training, the standard commercial curriculum is suggested.

The standard commercial curriculum requires four years of English, two and one-half years of mathematics, two years of history, commercial arithmetic, junior business training, typing, commercial geography, bookkeeping, commercial law, economics, civics, and introductory social science are listed but are not all required.

Vocational Curriculum

The standard vocational curriculum is planned for those intending to follow college vocational training, those expecting to end their school career with high school, and those who may drop school work before high school is completed. It requires four years of English, two years of history, three years of mathematics, and civics. Home Economics, I, II, and III, or Manual Training, I and II, commercial arithmetic, commercial law, bookkeeping, typing, business training, economics, and mechanical drawing are suggested, however not required subjects.

Six optional subjects are to be offered to the student who does not care to carry either of the suggested curricula, or who wishes to substitute in them. These subjects are art, music, Latin II, Texas history, journalism, and chemistry.

Mimeographed sheets containing lists of the subjects, the recommended curricula, programs to be filled in, and suggestions to the patron and pupil in selecting their program, will be sent to the parents of every pupil. The pupil will select his program for the 1935-'36 session, have it signed by his parents, and turned in before the end of the present school term. Changes in the students' program will not be made next September, except in the case of dire necessity.

NEW MAKE-UP SLIP RULE IS MADE

According to a new rule made last Monday, everyone who fails to get a make-up slip before nine o'clock will be sent to detention.

This rule was made because so many students failed to get their make-up slips, and classes had to be disturbed after 9 o'clock for them to go to the office and get them. This rule was made to avoid disturbing the 9 o'clock classes.

Twenty-two members of The Eagles Tale staff with their sponsor, Lois Goodrich, Principal John B. Pope, and Mrs. Wilford Taylor left for the state Inter-scholastic League meet at Austin at 4 o'clock this morning.

The Eagles Tale won the right to enter two delegates in the state journalism contests by winning class C honors in this district. Bill Cone and Ruby Foster will represent Canyon in the contests, and 20 members of the staff will attend the convention as an award for services on the paper this year.

The trip will be made in a bus owned and driven by Lella Graham of Dimmitt. The maximum bus fare is \$2.50, and each student had an opportunity to lower his bus fare by selling subscriptions.

The club plans to arrive in Austin tonight in time to register and secure lodging.

Program

Friday morning, 8:30, Registration; Visits to journalism exhibits. 9:00, "Why we are here"; Introduction of officers; Explanation of purpose of I. L. P. C.

9:30, "The Ideal School Newspaper," Mr. Paul J. Thompson, chairman of the Department of Journalism.

10:00, "Services to the school," led by Miss Edith Fox, sponsor of "The Technician."

11:00-12:00, News writing contest; luncheon for sponsors.

12:15, Luncheon for teachers in Tea Room of the new home economics building.

Friday Afternoon

2:00, Announcements concerning awards, election of officers, banquets, etc.

2:10, "Cuts and Their Use," Miss Helen Zene Wortham, chairman of the Department of Journalism, Hardin-Baylor College for Women.

2:40, "Principles I Would Consider in Choosing My Life Work," Dr. Sam L. Joekel, Presbyterian Theological Seminary.

3:20, Group Criticisms. Discussion of individual high school papers.

4:00, Copyreading contest.

5:00, Proofreading contest.

7:15-11:00, Banquet, Entertainment, Dancing.

The banquet will be informal; tickets are \$1. It will be held in the ballroom of the Texas Federation of Women's Clubs Building. An orchestra will play throughout the dinner and for the rest of the evening. A series of vaudeville entertainments have been arranged, and at intervals between dances there will be floor show numbers.

Saturday Morning

8:30, Editorial writing contest.

9:30, "Question Box," led by DeWitt Reddick, an answer to individual questions sent in by sponsors and editors.

10:15, "Experiences of an Editor," by Ray Lee, managing editor of The Austin Statesman.

11:00, Business meeting, election of officers, resolutions, etc.

12:00, Announcement of winners; presentation of awards.

1:00, Adjournment.

Seniors To Leave School U. S. Flag and School Ensign

The Seniors of 1935 will leave the school a United States flag and a school banner as the annual gift left by each Senior Class.

The flags are 8 feet in height including the staff. The school banner will be a purple background with a white Eagle and C. H. S. surrounded by a white fringe. The Eagle and lettering will also be in white.

Other gifts that were considered by the committee were stage scenery, a wrestling mat, and a card index for the library.

Croquet Interests Most of Students

Since the junior boys completed the croquet courts there has been a great deal of interest shown in croquet.

The school bought the sets and materials for the grounds and the boys of the Junior class, with the assistance of Mr. Kiker, constructed the courts.

Nearly everyone in school has participated in this game. It affords the students something to do during the noon period and before and after school.

The 6A Class had a picnic at J. W. Bourn's last Friday. The mothers who went with them were Mrs. Mark Foster, Mrs. Ray Campbell, Mrs. W. P. Sharman, and Mrs. Frank Hicks.

Jowell Items

Everyone enjoyed the surprise party given at the J. J. Leavitt home for Mrs. O. M. Scott and Rita Dietz. Games were played and enjoyed by all. Cake, coffee, cocoa, and sandwiches were served. Mr. and Mrs. C. P. Robertson

A Little Breeze Out of Herkimer, N. Y., Has Swelled Into a Hurricane That Is Sweeping Its Way to the Lightweight Title

BY PHILIP MARTIN

WHAT is there about this guy Lou Ambers? In the short time since his name began to be bruited about, Lou's eagerness to take on and ability to take over all comers have earned for him an unquestionable right to a crack at the lightweight throne recently vacated by Barney Ross.

Ross, it seems, couldn't find a Mr. Shylock to absorb his excess poundage and abdicated rather than weaken himself in trying to scale down to the weight requirements of the lightweight bracket.

Anyway, that's Barney's story and he's sticking to it, although Dame Rumor has it that it's merely a ruse to sidestep the Herkimer Hurricane, who has caused the Chicago Hebrew many sleepless nights.

When Ross stepped out, who but Ambers could step in? Tony Canzoneri? Sammy Fuller? Tough little Sammy Fuller already has had an overdose of leather from Ambers' flying fists, while Canzoneri is scheduled to meet Lou in a title bout May 10. It's our candid opinion that Ambers will make Tony say uncle. Incidentally, Barney Ross has met and defeated Tony and Sammy—and if Barney can do it, why can't Lou?

Ambers has an interesting background—and a swell record. In 45 times out, the Italian had dropped only one decision. Only two years ago he was fighting under the simon-pure banner at church benefits in Herkimer, N. Y.

However, the death of his father forced him into the professional ranks as a means of supporting 10 brothers and sisters, and now, still shy of the voting age, he's the ranking contender for the lightweight crown.

Ambers' windmill style resembles amazingly that used by the late lamented Harry Greb. He's poison at both long and short range, and his piston blows don't permit his adversary to get cocked for a potent poke. Ring victims of Ambers in-

Will he connect? That's the question as Lou Ambers, left, starts whirling his windmill rights and lefts at Tony Canzoneri, in their bout for the lightweight title.

clude such stalwarts as Sammy Fuller, Young Firpo, Harry Dubinsky, Roger Bernard, Jackie Davis, Billy Hogan, Johnny Jadick, and Tony Herara.

The first suspicion Lou had that perhaps the champ wasn't invincible came after his fight with Fuller, in which Ambers pummeled the unfortunate Sammy to a fare-thee-well. Fuller had previously battled Ross to a standstill in Chicago, al-

though the decision went to the champ by a hair's breadth. Ambers figured that if he could turn in a classier performance than Ross against Fuller, there was no reason in the world why he shouldn't pit his wares against Barney's.

It seems that Ross has frustrated his efforts—for the time being, at least—by moving upstairs into the welterweight division.

Lakeside News

The play, "A Little Clodhopper" will be presented at the Lakeside school house, May 17th. The play is a catchy three act comedy with a dramatic climax at the end of each act. The play is sponsored by the P. T. A. and is an annual affair. An all feminine cast is one of the features of the play.

Mrs. L. B. Hammond and Mr. and Mrs. Ralph Jones were shoppers in Amarillo Tuesday.

Mrs. D. N. Blanton returned home Sunday from Pampa where she has been for the past few weeks.

Mrs. Fred Fegel was in Canyon Saturday afternoon.

Charles Owens was absent two days from school last week, due to illness.

Mrs. John Dickinson was a shopper in Canyon Saturday.

Bird Owens and family were in Amarillo Monday.

L. B. Hammond and daughter, Mrs. Pauline Krilling are in Glen Rose this week.

Mr. and Mrs. C. W. Stallings transacted business in Amarillo Monday evening.

Miss Reuline and Lloyd Krilling are visiting Mrs. L. B. Hammond this week.

Ralph Jones left Tuesday for a business trip to Austin.

Mrs. Chiggerson-Boggs, the commanding woman, and doting mother of George Chiggerson, the city dude, and the city actress, Charmain Carter who follows George to Splinterville, Missouri, furnishes much excitement in "A Little Clodhopper," which will be presented at Lakeside May 17. Don't miss it.

Wayside Items

Dust storms still prevail. Saturday and Sunday both bad days. Quite cool Monday but no moisture, wind from the north.

Rev. N. S. Daniel and family from Vigo Park were with us Sunday. He gave us two good sermons, noon and night. They were dinner guests in the Jack Foster home.

Singing by Wayside singing class before church services Sunday night, using their new song books. They did well.

W. C. McGehee has been quite sick with red measles, in bed and very sick several days the past week. He is able to be up and about now. Miss Aline hasn't fully recovered from her spell with measles; Jack, youngest son, has taken measles, but getting along very well.

Swisher County Singing Convention will meet at Wayside first Sunday in May.

Sunday School at 10 a. m. sharp. Let's all be in our places at right time and all attend who can. We need the community at large. Lunch will be served at the noon hour.

Work on the new church is progressing nicely. Shingling was begun Monday, a goodly number, nearly a dozen, donated their work. Three good carpenters work every day.

Joe Neal of Tulsa put up the flue to the new church Monday, estimated to be thirty-six feet from bottom of basement to the top. He did the work in less than a day; did it well, too. He had good help.

Joyce Lane is having a serious time with a wisdom tooth.

Mr. and Mrs. George Burland from Indiana, visited with the Methodist church last Sunday. They live on the W. J. Sluder place in Wayside.

W. J. Sluder has felt quite unwell for a few days, able to be up, however.

Mrs. Fannie Franklin was sick last week, confined to her bed. Able to be up at present.

Roy Franklin, wife and Gloria Jean from Canyon, visited the paternal W. R. Franklin home Sunday.

Mabel Craven of Vigo Park spent the week end with Fannie May Franklin.

W. R. Franklin and family attended prayer services Monday night at Mr. Hales' home near Vigo Park.

Mr. and Mrs. Charlie Myers of Oklahoma visited with Mr. and Mrs. Wyatt Heisler Saturday. They returned home Sunday taking Mrs. Myers' parents, Mr. and Mrs. W. H. Carter, with them.

Mrs. Bill Schrier has suffered with tonsillitis for some time; still unable to attend Sunday School. She made an excellent secretary.

Mrs. George Gillham and baby came in from Amarillo a few days ago.

Johnson Items

MOTHERS' DAY, MAY 12th

What gift could be nicer for Mother than a box of our Fresh, King's Chocolates.

J. J. WALKER DRUG STORE

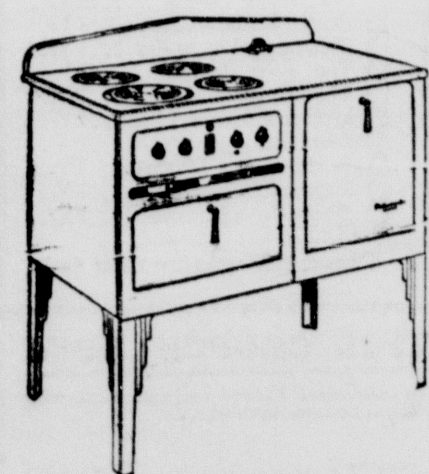

Many people refer to us as a "family bank" and we like the name because it fits. Women, for instance, aren't just casual customers here; they drop in regularly. We are as convenient to their shopping as to their husbands' offices. And with us "convenience" means more than just a good location. It's a pretty good way to describe the service and facilities of a modern, well-equipped bank where your needs are served with courtesy, promptness and dispatch.

Men's Chorus to Sing Saturday At State-wide Contest

The Men's Chorus of West Texas State Teachers College, under the direction of Wallace R. Clark, will go to Arlington this week to participate in the annual state-wide contest of Men's choruses which will be held at the North Texas Agricultural College in Arlington Saturday, May 4.

Glee clubs from colleges and high schools throughout the state will be represented in the contests which are scheduled to be held Saturday. On Saturday night, a massed concert in which all the choruses competing in the contest will participate will be held. This concert is the high point of the day's contests and will be under the direction of Dr. Karl Reckzen of the Chicago Conservatory of Music.

In the 1934 contest the West Texas State Teachers College chorus won first place over the colleges in Texas.

Judges for the contest will be: William E. Jones, C. I. A. Denton; Wallace R. Clark, W. T. S. T. C.; Canyon; Robert Hopkins, Baylor University; Waco; Karl Brumelow, Decatur College, Decatur; W. J. Marsh, T. C. U., Fort Worth; Sam Losh, Losh Institute of Music, Fort Worth; Annie Bess Chambers, Abilene; Allys Field Boyle, Woodrow Wilson High School, Dallas; Paul M. Riley, Texas College of Arts and Industries, Kingsville; H. Grady Harlan, Southwestern State Teachers College, San Marcos.

Members of the Men's Chorus who will make the trip are: First Tenors: Broughton Hardin, Horace Hickox, Holland McMurray, Ralph O'Keefe, Sid Thomas, Edward White, and Carl York.

Second Tenors: Lex Alexander, Lewis Barnett, Walter Cummings, Reavis Kerr, Ray McIntyre, Charles Stratton, Glynn Taylor, and Johnnie Hood.

First Basses: J. C. Baker, Jr., Bill Blaine, Houston Bright, Winfred Lewis, Charles Reeve, Woolworth Russell, Martin Baze, John Tate, J. H. Wright, and E. C. Penick, Jr.

Second Basses: M. E. Cleavinger, E. T. Evans, Whitman Fish, G. T. Higgins, Kenneth Hohaus, M. A. Morgan, Bill Nelson, Bill Pitman, and Rex Roby.

Slight Fire In Old Theater Is Soon Put Out

Fire was discovered in the rear of the old theater building at the southeast corner of the square Saturday night. A pile of rubbish was found to be on fire by the fire department, and the fire was extinguished with little damage.

The building was recently bought by Rhea Robbins.

Everything for the office at Warwick's.

IN THE WORLD OF SPORTS

Guerilla Warfare Looms on Diamond Front, Because of Inter-Team Feuds, and Gus Fan Is Disgustingly Happy

BY PHILIP MARTIN

PERSONAL feuds between ballplayers are to be deplored, maybe, from the standpoint of diamond etiquette, but they do promise exciting games. And Old Gus Fan, being just uncouth enough to want lively innings even if the boys are a bit rough, looks forward to an exceptionally interesting season.

To begin with, the Cleveland Indians have their tomahawks ready for the Tigers, and nothing will please them more than a few Bengal pelts. The reason? Someone is rumored to have heard a report to the effect that Mickey Cochrane, Detroit chief, is supposed to have said he expected little competition from the Tribe this year.

Dizzy Dean may be a phenom to himself and the world at large, but to Babe Ruth he is a distinct pain in the neck; and all because Jerome classified the ex-Bambino as "just another hitter." And the anti-Dean sentiment has spread through the Braves' camp, creating a HUB-bub that bodes ill for the Cards.

Antagonism exists, too, between Bill Werber of the Red Sox, baseball's leading base stealer, and Jo-Jo White of the Tigers, because of some friction after Werber was spiked by Jo-Jo last year.

Franky and Johnny may be sweethearts, but not Frankie and Jimmy—I. e., Frankie Frisch and Jimmy Wilson. Wilson has had thumbs down on Frisch ever since the latter was named boss of the Cardinals, which led to Wilson's return to Philadelphia.

In another feud, born last year, the Brooklyn Dodgers will play Goliath to Bill Terry's Giants. You will remember that Terry was flogged late last year by the echo of his famous early-season utterance, "Are the Dodgers still in the league?"

This vendetta has taken on additional spice, featuring Dick Bartell, who spiked Linus Frey and Joe Judge in games with the Dodgers last year, and who has left the Phillies for the Giants. So there apparently will be plenty of action on the baseball front this year.

SHADES of great golfers of other days must have murmured in awe at Gene Sarazen's amazing deed in the final round of the Masters' tournament at Augusta.

With a pond and 236 yards to clear, and Craig Wood, the leader, three strokes ahead of him.

Mr. and Mrs. John McCarty and children of Dalhart were here over Sunday visiting at the parental Beard home.

Help Keep Canyon Clean!

Antagonists in one of 1935's numerous baseball feuds are Bill Werber, above, and Joyner (Jo-Jo) White, above left. Gene Sarazen, bottom left, dons an icebag to keep his head from swelling after his amazing, successful fight for the leadership in the \$5000 Masters' tournament, in which Henry Picard, right, showed much promise.

swarthy Gene coolly picked a spoon and lifted the ball clear to the cup. It was perhaps the psychological effect of this marvelous shot, more than anything else, that enabled Gene to best Wood in the playoff.

Another high light of the

tournament was the splendid playing of a comparatively unheralded youth, Henry Picard of Hershey, Pa. The lad from the chocolate town proved a very sweet golfer and a sensation in the early rounds, finishing fourth. Watch this boy!

WILL PREACH SUNDAY

Rev. J. O. Haymes, presiding elder, will preach Sunday morning at the local Methodist church. The second quarterly conference will be held in the near future. Glen Davis of Friona will bring a group of young people to put on a musical program at the night service.

EPISCOPAL CHURCH

Rev. Warwick Aiken, of Plainview, will preach and conduct the service of evening prayer, next Sunday night, May 5th, at eight o'clock.

Everyone interested is cordially invited to attend, and to meet the minister afterwards at the Little House of Fellowship.

What we need, says Georgia's governor, is a return to the principles of the anti-trust law. Absolutely! Make everybody pay on the line.

Hill's Leave Sun. For Austin And Washington, D. C.

President J. A. Hill and family left Sunday, April 28th, for Austin, and from there to Washington, D. C. where they will meet Joe Hill, Jr. The trip to Austin will coincide with the Legislature's consideration of President Hill's appropriation for the next biennial. He wishes to be on hand to do whatever he can to aid in the passage of the bill.

The President's party is scheduled to leave Austin Wednesday, May 1, for Washington, returning home about May 20th.

Museum Visitors

(Continued from first page) tery now hanging in the Maye E. Hudspeth Room are attracting those interested in Indian life. The pictures are natural-color photographs of specimens of the Indian Arts Fund Collection in Santa Fe, New Mexico.

Free Fuel

(Continued from first page) gress gives the Department of Agriculture complete charge of the erosion program. This department has been making a study of erosion and will turn the problem over to experienced men who know how to handle the problem.

The emergency program of free fuel closed Tuesday. Several counties were cut off before that time, as the original appropriation of half a million dollars was cut in half by the Relief Commission or some other agency. It was originally figured that Randall county would list something like double the amount finally obtained in this order.

Congressman Marvin Jones writes the News that as soon as the bill for soil erosion is signed by the President the permanent machinery will be set in motion for a complete control of erosion in the drought territory.

The Texas legislature last week passed a bill making possible the establishment of erosion districts which will force all land owners into the project in order to protect all land in each district from the ravages of wind erosion. The Bill was passed under the direction of A. & M. College.

Umbarger Items

The baseball team of the St. Anthony's School of Hereford, played a game with the team of Umbarger last Friday. The score was in favor of Umbarger, 5 to 24.

Among those going to Canyon lately were: Fred Beckman on Monday; Mrs. L. Wiek, John and Edward on Saturday; Mr. and Mrs. J. Batenhorst and Alfreda on Monday; Walter Beckman on Saturday. Garcias were in Dawn on business Monday.

Those in Amarillo lately were: Mrs. E. J. Friemel on Wednesday; Davis' on Monday; Ramon's on Sunday.

Some of the visits exchanged Sunday were: Clara and Edward Wiek at Batenhorst's; Sylvester Batenhorst at Wiek's; Clark Downing and Mrs. Holmes at Fred Beckman's; Rose Wiek at E. J. Friemel's; Chas. Friemel at E. J. Friemel's Monday; Schoenerberger's at Fishback's; Mrs. T. Cook at the home of her parents; Willa May Holman at Cook's Monday.
